

Opening doors with learning, faith and care

FRIDAY 6TH OCTOBER 2023

BUSY BUILDERS

Inspired by their time in Forest School, our amazing learners in Year 4 have been incredibly busy building bird feeders at home and in school this week for their upcoming Social Action Project. Having decided to lend a hand to our local wildlife, they have set about designing and creating as many recycled bird feeders as possible to put out in the community before the cold winter months. We have been absolutely blown away with their amazing creations, and cannot wait to share their achievements with all our Year 4 parents in their Social Action Assembly next Friday at 9.10am. Thank you also to all members of our school family who donated plastic bottles over the past 2 weeks in support of their project too. Your support is very much appreciated.

A HUGE THANKYOU FROM YEAR 6!

Thank you to everyone who attended our Macmillan Coffee Morning last week or purchased cakes at breaktime or after school. Year 6 are very proud to share that the total raised so far is £265, with more still to come in. Thank you so much for your generous donations of cakes and cash, your support goes a long way to helping those in need.

SMILE PLEASE!

It's school photo day on Friday 13th October 2023, full uniforms and big smiles essential!

GIVING THANKS FOR THE HARVEST!

Please be reminded that we will be sharing in a very special Harvest Festival, where we celebrate and give thanks for the food we eat next Wednesday (11th October 2023). Following the success of last year's harvest donations which helped those both near and far, we are proud to be supporting House of Bread in Stafford, as well as our local elderly residents in partnership with the Hixon Luncheon Club again this year.

To support us in this work, Year 6 are invited to bring in a small harvest basket (this could be a decorated shoe box or similar) containing small food items which will be delivered to residents in need within the local area. Whilst learners in Flourish, Reception and Years 1 to 5, are invited to donate an item to the churches House of Bread collection. Non-perishable food items, for example: tinned foods, pasta, UHT milk, teabags and toiletries would be very warmly welcomed.

Please bring any donations into school on Wednesday 11th October where they will be blessed as part of our harvest festival celebrations before being distributed to our charity partners.
Thank you!
