

## WATER, WATER EVERYWHERE!

On Monday this week we were delighted to welcome Lucy from Severn Trent water to deliver a whole-school assembly on the importance of looking after our water. It was an action-packed and yucky exploration which I know really helped the children to understand their responsibilities in keeping all our water ways working effectively. Following this workshop, Lucy then delivered workshop sessions with learners in Year 3 and Year 4 where they really got involved in their learning about the water cycle in preparation for their Geography Rivers topic next half-term.

Also on Monday, a team of 17 learners from year 5 and Year 6 represented St. Peter's in the Stafford and district annual swimming gala and what an exceptional team they were! The combined results have been released today and I am delighted to share that St. Peter's came 3<sup>rd</sup> overall, only marginally missing out on first place to Walton Priory and Penkridge Middle schools. **Congratulations to all involved, what a fantastic team effort!**

## MUSIC MAESTRO!

As our Year 3 and Year 4 learners come to the end of their in-class instrument tuition this year we are delighted to welcome parents/carers from Year 3 and Year 4 into school to share in a musical performance on Wednesday 7<sup>th</sup> February 2024 at 2.15pm. Please see class pages on dojo for more information.

## DOJO HIGHLIGHTS

**Educational Visits:** This week trip letters were released for all children in Years 1 – Year 6 for visits which take place next half-term. Please give your consent for these visits by clicking on the links within each letter by 28.02.2024.

**Spring 2 Clubs:** Confirmation of Spring 2 clubs were sent out via dojo message this week. We still have spaces available in homework club and puzzle club next term, if your child would like to join please contact the school office.
