

Opening doors with learning, faith and care

FRIDAY 9TH FEBRUARY 2024

CHILDREN'S MENTAL HEALTH WEEK!

This week in school we have been celebrating Children's Mental health week. After a launch assembly about how important every child's voice is, each class completed a range of learning activities which developed this theme in an age appropriate way. On Thursday we welcomed MindGig into school to develop our understanding of neuroscience. Throughout the day children learned about how amazing their brains are, why they work in certain ways and how we can use this knowledge everyday to help us respond to our worries and fears more positively. The whole-school found these sessions fascinating and we are certainly more aware of why we respond in the way that we do!

SAFER INTERNET DAY!

On Tuesday we celebrated Safer Internet Day in school. Our amazing Year 6 Digital Leaders led age-specific sessions in each class which really helped to bring this learning to life. Throughout the day we explored the theme 'together for a better internet' and it was inspiring

to hear how the children would improve and change the way we all use the internet to make it a safer and better space for us all. Our digital future is certainly in great hands!

A MUSICAL MASTERCLASS

On Wednesday the whole-school, along with many parents and families, were treated to a fantastic Music concert which showcased the fantastic learning of all our Year 3 and Year 4 students who played a series of pieces both separately and together on the recorder and the ukulele. We were all so inspired by their achievements and Year 5 and 6 can't wait to get started on their musical learning adventures after the half-term break!

DATES FOR THE DIARY

** Please see individual letters for more information*

12.02.24	February Half-Term Break
19.02.24	Pupils return to school
19.02.24	Meet the SENCo Click here to make an appointment
